### HIBERNIANS.

News Notes.

Division 3 will meet next Friday evening.  
Mark Ryan is out again after an attack of nephritis.  
Tim Lyons, one of our veteran members, is a regular attendant at meetings.

Five thousand new members are now assured as the result of the San Francisco drive.

Every member is urged to write our Senators and Congressmen to support Irish independence.

Macoma Hibernians are making elaborate preparations for the reception of President DeValera.

The study of Irish history conducted by the Ladies' Auxiliary at the homes of members is proving popular and most enjoyable.

Under the leadership of Miss Agnes Tierney, State President, the Ladies' Auxiliary of California is experiencing a decided boom.

Omaha Knights are congratulating themselves over the decision of Rev. Father Gannon, who will serve another term as chaplain.

The Allen County Board of the Ladies' Auxiliary held an important meeting at Fort Wayne and elected Mrs. May Daly County President.

The Hibernians of Sioux City showed their feeling and respect at the funeral of Bishop Garrigan, who had been their adviser and friend.

Division 1, of San Francisco, has organized a baseball team that started off with the real Hibernian punch, winning the first two games.

The Sacramento County Board made Mrs. M. Sanders a handsome gift upon her retirement from the Presidency of the Ladies' Auxiliary.

The county convention at Omaha made plans for carrying on the work of the divisions for the next two years and elected Thomas Keane as County President.

Mrs. Mary McWhorter, National President, visited the Ladies' Auxiliary at Duluth, and at a public meeting in her honor told of the conditions in Ireland today.

The new National Hibernian will be sent next week to all members whose names have been received from the Secretaries. All Secretaries should send their lists immediately.

**SAD DEATH.**  
Sympathy of all is extended to the wife and parents of Leroy Collins, who lost his life in an accident at the L. & N. round house on Thursday morning. The funeral took place from St. Louis Bertrand's church this morning at 9 o'clock.

**SONG CONCERT.**  
A series of concerts by noted artists will be given at Holy Rosary Academy during the season under the auspices of the Alumnae. The first is announced for November 12, and will be given by Anna Louise Week, prima donna.

**BASKETBALL.**  
A meeting was held Tuesday night at St. Xavier's College gymnasium for the purpose of organizing a basketball quintet for young men of the city who have completed school and are working. St. Xavier's athletic department is outlining an extensive basketball programme for the coming season, and its team will be among the contestants for the Falls Cities' championship.

**APPEAL TO PUPILS.**  
Secretary of the Treasury Glass has sent out an appeal to the 20,000,000 school boys and girls of the country, urging them to continue the habit of earning and saving money and investing it in Government securities. In addressing them as the producers, consumers and home makers of the future, the Secretary of the Treasury praised the wonderful work the school children did during the war in production of needed materials, saving of food and money and investment in Government securities.

**EUCHE AND LOTTO.**  
A euche and lotto will be given by the congregation of St. Aloysius church at Trinity Council Hall, Baxter and Morton avenues, next Wednesday afternoon and evening. Games will be called at 2:30 and 8:15 o'clock.

**MONTHS OVER THERE.**  
Here is one ex-soldier's ingenious method of finding a paying job. He was photographed carrying this sign in City Hall Park. He is the first veteran seen in New York City employing this means to find employment.

**VETERAN PRIEST ELECTED.**  
At the Pennsylvania State convention of the American Legion, held in Harrisburg and attended by delegates from 250 posts, Rev. Joseph L. Wolfe, of St. Patrick church, was unanimously elected chaplain. Father Wolfe, who served with the famous Twentieth ("Iron") Division, was in several of the major engagements carried on by the American troops, and received two citations for bravery and the Distinguished Service Cross.

**ENGLAND'S RACE SUICIDE.**  
Father Vaughan, well known for his work among the poor of London, in a forceful address at a session of the Congress on Tuberculosis Prevention said: "It is terrible to think, when the death rate has exceeded the birth rate, so greatly, when the nurseries are silent and the divorce courts are clamorous, that tuberculosis is also making a heavy levy on human life. We should have throttled tuberculosis long ago. It is healthier in some of the slums of London than in the fashionable district of Mayfair." Referring to the decrease in the birth rate, Father Vaughan declared: "We want all the children possible. We do not want birth prevention, thus strutting the empire and making it a disgrace in God's eyes."

**WON'T HURT.**  
In these days of high prices we should be careful not to live beyond our means. A rainy day will come when we will need a little extra money, and it is a good plan to put aside a few cents or dollars whenever possible. A little "skimping" won't hurt anyone, and it is not at all necessary that we should buy the highest-priced goods in the market.

**RETURNS FROM BELGIUM.**  
Rev. Father Julian T. Pieters, pastor of Holy Trinity church, Fredericktown, has returned from a trip to his old home in Belgium. Every one was glad to see him and gave him a royal welcome on his arrival to resume his pastoral duties.
